Parent and Carer Questionnaire

Autumn Term 2025 – Results (December 2025)

Thank you so much to all the parents and carers who took the time to respond to the recent questionnaire. Your feedback is important to us and helps inform our school strategy moving forward. We had 69 responses.

The results of the survey will be discussed and shared at the next governors' meeting and will also be shared with staff so that we can all contribute to developing the school to be an even better place for children to learn. We are grateful for any suggestions from parents and these are considered as part of our school development priorities for the future. Of course we regularly receive feedback from parents day to day which is also used to help to shape our school and improve where we possibly can.

Best wishes and thanks,

Mrs H Roberts
