

INDEPENDENT CATERING

Dear Parent/Guardian

NEW CATERING SERVICE AND ONLINE PAYMENT

Independent Catering has been appointed as the new catering partner for Otford Primary School as from September 2019.

It's all about the food

All our schools have been accredited with the silver soil association standard reinforcing our commitment to locally sourced, freshly prepared food.

Going forward parents/carers with children in KS2 will be required to pay for a child's meal online through the payment portal sQuid. We have enclosed further instruction as to how you use the system along with your child's 16 digit registration number and 3 digit security code.

- ✓ **You must have your child's unique PIN number** before registering on line.
- ✓ **You must register with sQuid before Monday 28th October 2019 to add funds to your lunch account.**
- ✓ **The system will start to operate from Monday 28th October 2019.**
- ✓ **You will no longer be able to pay for your child's meal with cash.**
- ✓ Money will only be debited from your sQuid account when your child has a lunch
- ✓ Your child will request a school dinner at registration.
- ✓ There are 3 choices of lunch each day, a main meat/fish choice, a vegetarian alternative, a pasta dish or jacket potato. The menu is available the school's website
- ✓ You can choose each day whether to have a lunch, with no need to sign up for the whole week.
- ✓ The price of a paid meal is £2.41

We would be delighted to welcome your child to have one of our delicious and nutritionally balanced lunches. Please talk to us about any allergies your child may have.

If you have any questions please contact the catering manager at the school.
