

I am starting at Otford Primary School

The teacher in the Reception class
is called
Miss Poulter

This is the Early Years classrooms at my new school.

This is the outdoor area where I will learn lots of new things and make new friends.

This is where I will come into the classroom
and say good bye to my grown up until the
end of the school day.

These are the toilets I can use
during the day and at lunch time.

These are the cloakrooms where the coats are hung

This is the lunch hall where I will have lunch every day with my friends.
